Founder, President, and CEO of EDWINS Leadership & Restaurant
Brandon Edwin Chrostowski

Brandon Edwin Chrostowski is renowned for changing culinary and hospitality training—in and out of the nation’s prisons—while preserving French cooking traditions. His mission-driven effort to train and staff former prison inmates at his flagship French restaurant and nonprofit has created a national model for re-entry and an educational pipeline for formerly incarcerated to learn the discipline and skill of fine-dining. Chrostowski believes that every human being, regardless of their past, has a right to a fair and equal future. Edwin’s mission is to:

- 1) teach a skilled and in-demand trade in the culinary arts;
- 2) empower willing minds through passion for hospitality management; and
- 3) prepare students for a successful transition home.

During registration, attendees may select their choice of the plated dinner which will be served by the Marriott University.
